To: Vantage Medical Billing

I just wanted to take the time to thank you for your years of outstanding service as my billing company. Your company has given me excellent service, increased overall revenue and productivity for my medical practice. As you know I am retiring and I would like to again thank you for the time that we have worked together. I would highly recommend you to anyone looking for a medical billing service. Much success in your continued service to other doctors and you will always do well.

Sincerely,
