It is with much enthusiasm that I am writing to recommend the services of Alan Ryono at Vantage Medical Billing.

Vantage Medical Billing provided services for my practice for 13 years and I was always completely satisfied with their management of my billing and accounts receivable. They did an excellent job negotiating some of our contracts and making sure that reimbursements were correct and timely. Vantage Medical Billing would always be available to answer any questions I had about billing or reimbursements.

I'm happy to recommend the services of Vantage Medical Billing. If you have any questions please feel free to contact me.

Sincerely,
